City of Medicine Hat
City Council
580 First Street S.E.
Medicine Hat, AB
T1A 8E6

Dear City Council Members:

The Volunteer and Community Information Centre has served Medicine Hat for 20 years and is a valuable asset in the community.

The Volunteer Centre is a support for the social services in the community and helps to identify social needs, assists to develop resources and promotes and supports volunteerism to help make Medicine Hat a Community of Choice.

Should the Volunteer Centre be forced to close, imagine the negative impact this could have on the organizations in the community that rely on volunteers and Volunteer Centre resources to provide service directly affecting critical local issues like youth and families, cancer and heart and stroke. Imagine how many needs could go unfulfilled.

To build an entity such as the Volunteer Centre takes time, but to destroy it takes none.

I the undersigned hereby request that the City of Medicine Hat fund the operations of the Medicine Hat Volunteer and Community Information Centre.

Sincerely,
